**CALVERTON, NY [March 25, 2025]** – Water you waiting for? The summer season is just around the corner at [Splish Splash Water Park](#), as it gears up to open on Saturday, May 24 with its all-new water playground. To celebrate its 35<sup>th</sup> season and new water play area, the park hosted its first ever naming contest earlier this month for fans to cast their vote. Visitors who entered Splish Splash's *Vote for the Splashiest Water Playground Name Sweepstakes* chose between three underwater themed selections to name the new water playground – *Anchor Bay, Soakin' Shores, and Stingray Bay*.

With thousands of votes casted, the splashy winning name was ***Stingray Bay***, where it's all fun and no sting, all summer season long.

Families will be hooked this season at *New York's Largest Water Park* when the new splash-tastic water playground debuts. The new kid-friendly zone will offer families more than 15 fun and silly ways to stay cool during their visit to Splish Splash. The all-new water playground will be decked out with three-pint sized water slides, six interactive spray features, five water play features, a dump bucket and fun for all to soak and spray.
